**STATEWIDE CONTRACT FOR MRO (MATERIAL, REPAIR & OPERATION) AND INDUSTRIAL SUPPLIES**

Noble's contract with the State of New Hampshire allows procurement of maintenance, repair, and operations (MRO) supplies and parts needed for facilities, grounds-keeping, equipment maintenance, and many other supply requirements of New Hampshire. State agencies, cities, towns, counties, and educational institutions can count on Noble to deliver products and services when and where they need them. Noble pays all standard shipping.

Our customers can access more than one million products from 13,000 established suppliers, including many of the most recognized brands in the MRO and construction industry. Items excluded from this contract include air filters, lamps, ballasts, cleaning supplies, electrical equipment, fasteners, plumbing, welding, and soldering (see contract for full details).

From common maintenance items such as sealants, bearings, hoses and filters to safety and protective clothing and gear, Noble's established supplier agreements result in rapid delivery of quality products for New Hampshire's agencies, cities/towns and public primary/higher education entities.
