PROFESSIONAL CLEANING SOLUTIONS FOR GSA  
**Geerpres®**

**Geerpres® the Industry Standard in Professional Cleaning Products**

---

Geerpres® has been in business for over 80 years and has a history of providing innovative cleaning products and supplies. Geerpres® EVS carts, stainless steel wringers, and seamless buckets have been the industry standard in environmental services for hospitals, cleanroom/critical environment, military, food service, education and more. Stainless steel cleaning products offer superior antimicrobial properties required in the healthcare environment. The Geerpres® name is synonymous with quality, long-lasting metal cleaning products.

Geerpres® has long been known for manufacturing metal EVS carts, buckets and wringers. These products, along with an expanded product line including a complete family of EVS carts is now available to government purchasers from Noble Supply.

New Geerpres® products include the Project Trolley, a large platform (3 x 6') with flip-up access ramps designed to hold a swing machine, floor dryer blower, wet/dry vacuum, bucket/wringer, floor cones and more. Also new are the Advantex® patented self-dispensing microfiber applicators and disposable mops and wipes that virtually eliminate cross-contamination concerns for medical facilities, laboratories and other facilities requiring a cleanroom environment.

Noble Supply's Geerpres® Catalog includes environmental services carts, mop handles, wall washing kits, microfiber flat mopping systems, linen hampers, and a variety of plastic professional cleaning tools and accessories.

Noble Supply offers GSA purchasers a range of Geerpres® professional cleaning items at price and quantity discounts. Government purchasers can count on Noble to streamline the ordering process for government. We designed our state-of-the-art technology with government in mind. Our contracts with the U.S. Federal Government give us the opportunity to distribute Geerpres® and millions of other trusted, brand-name items to military and civilian government customers.

## EVS Equipment

### Project Trolley w/Flip-up Access Ramps

Noble Item No: [N624P32](#)

Keep your healthcare environment clean and professional with a project cart big enough to haul everything. The Project Trolley features 18-22-gauge, corrosion-resistant, stainless steel construction with a 10-year limited warranty.

#### Features:

- Stainless steel construction for strength and durability
- 5.3 cu. ft. lockable storage cabinet keeps chemicals secure
- Increased productivity due to large capacity — fits everything needed for a shift and eliminates multiple trips to the storage closet.
- 5" double-bearing, quiet casters (two swivel and two fixed with brake) make cart easy to maneuver and reduce noise.
- 14 tool holders to safely secure mop handles, dust mops, brooms and more
- High-quality, non-marking corner bumpers
- Two access ramps have anti-slip strips and flip up for moving and storing the cart.
- 10-year limited warranty
- Patent pending

Large 3' x 6' platform offers the space to hold a swing machine, floor dryer, blower, wet/dry vac, bucket/wringer, floor cones, and more.

Ramps are located on both sides of the cart for easy loading and unloading of heavy equipment. Access ramps are fitted with anti-slip strips, and flip up for moving and storage of cart.

#### Dimensions:

Ramps Raised: 60"L x 36"W x 47"H

Two Ramps Lowered: 60"L x 68"W x 47"H

#### Shipping:

Cart ships partially assembled.

Shipping weight is 250 lbs.

## EVS Equipment

### ORion SS Operating Room Cart

Noble Item No: [N624P28](#)

Where maximum sanitary protection is a must, The ORion stainless steel operating room cart meets your needs. It is designed specifically for use in an operating room setting. Its stainless steel cabinet with rounded corners maintains an attractive appearance, wipes clean instantly and offers superior corrosion protection.

- 5.0 cu. ft. of lockable storage space
- Two swivel and two fixed, quiet casters for superior maneuverability
- Virtually no seams, eliminates contaminating crevices
- Type 304 stainless steel construction
- Easy to sanitize and keep looking new
- Provides antimicrobial protection
- Floor-Warn® sign decal for added attention to wet floors
- 10 year warrantee

The stainless steel ORion Operating Room Cart provides unmatched durability and lasting value. It features front and rear roller bumpers to protect walls and woodwork and its rear access locking door provides easy resupply. The front tray with bucket stops accommodates most flat mop buckets or space-saving waste container(s).

#### Dimensions:

Standard Cart Dimensions: 31"L x 24"W x 38"H

Stainless-steel Handle is 36-1/2" from floor.

## EVS Equipment

### Odyssey® SS Cart

Noble Item No: [N624P34](#)

The Odyssey® stainless steel cart is fully-equipped with a folding handle, bag and three-shelf rounded corner cabinet with locking door. New Geer-Key locking system located on the front of the cart prevents breakage, minimizing replacement costs and providing efficiency with push-button locking. The cart features adjustable shelves, fold-away handle for easy storage, double zippered nylon bag with pouch and Polysnap bag liner retainers, stainless steel trash lid, dust mop retainer, floor sign holder, accessory bars with tool holders, a full surround heavy-duty bumper and 5 inch quiet casters.

- 6.7 cubic ft. of lockable storage space
- Stainless steel construction
- Easy to sanitize and keep looking new
- Provides antimicrobial protection
- 10-year warranty

### Odyssey® SS Cart w/Flip-up Tray

Noble Item No: [N624P35](#)

The Odyssey®, our best selling housekeeping cart, is not only durable but easily customized for your unique work environment. Our Flip-up Tray option folds up for compact storage. The tray hooks to the outside of the cabinet to retain its upright position. The tray also has non-slip tape to keep buckets stationary.

- Dimensions, extended: 40-1/4" L x 25" W x 41-1/4" H
- Dimensions, flipped up: 25-1/4"L x 25"W x 41-1/4"H
- 6.7 cu. ft. of lockable storage space
- Stainless steel construction
- Easy to sanitize and keep looking new
- Provides antimicrobial protection
- 10-year warranty

## EVS Equipment

### Odyssey® SS Microfiber Cart

Noble Item No: [N624P29](#)

The Odyssey® fully-equipped microfiber stainless steel cart features double bag folding handle with bags, three-shelf rounded corner cabinet with locking door and folding front tray. New Geer-Key locking system located on the front of the cart prevents breakage, minimizing replacement costs and bringing efficiency with push-button locking.

The cart features adjustable shelves, fold-away handle for easy storage, double zippered nylon bag w/pouch, Polysnap bag liner retainers, a smaller bag for soiled microfiber mops, stainless steel trash lid, dust mop retainer, floor sign holder, accessory bars with tool holders and 5" casters.

- Dimensions: 38" L x 25" W x 42 1/2" H
- 6.7 cubic ft. of lockable storage space
- Stainless steel construction
- Two swivel and two fixed, quiet casters
- Easy to sanitize and keep looking new
- Provides antimicrobial protection
- Heavy-duty, 30-gallon, double-zippered bag
- 10-year warranty

### Dry Dock Dry Storage Module

Noble Item No: [N624P36](#)

The Dry Dock Storage Module keeps your paper supply items organized and within easy reach for improved efficiency. Plastic tray liners on the inner shelves help keep items in place. The Dry Dock Storage Module attaches to the cart handle with hook & loop fasteners.

- 3.0 cubic ft. of "extra" dry storage space
- Constructed of sturdy 420 denier nylon.
- Fits the Odyssey SS Cart Series

## EVS Equipment

### Omega® PC Housekeeping Cart

Noble Item No: [N624P30](#)

The Omega® powder coated cart with rounded corner cabinet for smooth lines features push-button locking located on the front of the cart to prevent breakage and minimize replacement costs. Also includes tool bar with 2 hooks, mop handle holder, 4 gripper clips and lower mop bracket.

- Two adjustable shelves
- Folding tubular handle
- Four 5" double bearing swivel quiet casters
- 30 gallon 420 denier nylon bag (double zipper)
- Dimensions: 30"L x 24" W x 41"H
- 5-year warranty

### Space Station® Acrylic Cabinet Top Locking Console

Noble Item No: [N624P31](#)

Space Station® adds additional storage space and organizes frequently used items. The heavy duty acrylic maintains its clean, attractive appearance and ensures that Space Station® is correctly stocked and organized. The seamless door construction prevents accumulation of bacteria and rolls up and out of the way giving you a smooth access to supplies. Curved top prevents placement of items on top of console.

- 2.4 cubic feet interior storage space
- Fits Odyssey® and Omega® housekeeping carts
- Locking door addresses safety issues
- Includes plastic tray liner
- Dimensions: 22"L x 16" W x 15" H

## EVS Equipment

---

### Geerpres® Linen Hamper

Noble Item No: [N624P33](#)

The Geerpres® Linen Hamper is ideal for use in patient rooms, emergency rooms, and lab procedure rooms. Made of durable powder coated steel for superior resilience to withstand the day-to-day activity in a busy facility. The powder coated lid with “Soiled Linen” label makes it simple to conceal soiled linens and maintain a professional appearance. Designed for efficiency and durability, the narrower profile allows for unobstructed pathways.

- Tubular steel construction for superior resilience and cleaning simplicity
- Silent soft close to improve HCAHPS scores
- Unbreakable steel lid with multi-lingual labels for “Soiled Linen”, “Hazardous Waste,” and “Refuse” included.

---

### Carry Mate® 4-pocket Caddy

Noble Item No: [N624P54](#)

The Carry Mate® cleaning supply caddy organizes and helps transport aerosol cans, trigger sprayers, small cleaning tools and supplies, making them readily accessible during routine cleaning operations. Cleaning is less of a chore because everything you need is right at hand.

- Lightweight - can be easily hand carried
- Free-standing or can be hung on a variety of containers, carts, and other mobile equipment
- Made of durable, corrosion resistant plastic.

## Buckets & Wringers

### Geerpres® Stainless Steel Buckets

The Geerpres® 304 stainless-steel buckets have rolled, open rims that reinforce the bucket and prevent accumulation of dirt and bacteria. Exclusive seamless construction keeps buckets leak-free and easy to sanitize. Bail ears are positioned below rims to avoid interference with wringer placement. Permanently etched graduations inside for easier mixing of solution. With proper care and maintenance these buckets will not rust or stain and will retain their clean, attractive appearance.

To prevent the spread of infection (nosocomial infection), many infection control experts prefer stainless steel over plastic because they know it is the only surface which resists germs and provides no true surface support for the growth of microorganisms.

Geerpres® seamless buckets have been the industry standard in environmental services for hospitals, cleanroom/critical environment, food service, education, military and more. Noble Supply offers 3 sizes of Geerpres® Stainless Steel Round Buckets; 5-gallon, 8-gallon and 11-gallon with option for casters on the 5-gallon and 11-gallon buckets.

- Exclusive seamless leak-free construction
- Permanently etched graduations inside
- Germ, stain and rust resistant
- Items with casters have 2" double raceway ball bearing casters

### Specialty Item for Security Facilities: High Security Plastic Combo - 35 Quart Bucket w/Wringer

Noble Item No: [N624P44](#)

Ultra® plastic mop wringer meets the special needs of correctional institutions and other security-sensitive facilities. Features: Permanently pressure-fit handle, gears are secured by one-way screws, spring has been eliminated, high density nylon body delivers superior strength and impact resistance. Champ™ 35 quart bucket on 3" casters comes without a bail. Combo is approved for high-security/prison applications. For 16-32 oz. mops. No image available.

### SS Round Bucket - 5-Gallon w/o Casters

Noble Item No: [N624P41](#)

### SS Round Bucket - 5-Gallon w/2" Casters

Noble Item No: [N624P58](#)

### SS Round Bucket - 8-Gallon w/o Casters

Noble Item No: [N624P42](#)

### SS Round Bucket - 11-Gallon w/2" Casters

Noble Item No: [N624P38](#)

## Buckets & Wringers

### Geerpres® Metal Mopping Combo

Noble Item No: [N624P43](#)

**Mopping Combo:** Floor-King® Zinc Wringer and 35 quart Seaway oval bucket on 2" casters

**Floor-King® Zinc Wringer** accomodates 24-36 oz. mops.

**Seaway® Givanized Oval Bucket** provides added mop clearance between wringer and bucket front. Each bucket is hot dip zinc galvanized after fabrication to seal all seams and provide maximum corrosion resistance. Reinforced bands and rolled rim add strength. Measuring graduations at 2, 4, and 6 gallon levels etched in bucket side. Bail folds flat on the rim giving you extra protection against wringer wear. Rust-free nylon caster mounts with 2" double-race-way non-marking casters.

Item N624P43

### Seaway Galvanized Oval Bucket - 35

Quart, w/2" Casters (w/o wringer)

Noble Item No: [N624P55](#)

### Galvanized Round Bucket - 8-Gallon w/o Casters

Noble Item No: [N624P56](#)

### Galvanized Round Bucket - 8-Gallon w/2" Casters

Item N624P55

Item N624P56

### Flat Mop Bucket - Red Plastic, 22 Liter

Noble Item No: [N624P39](#)

### Flat Mop Bucket Lid - Red Plastic

Noble Item No: [N624P40](#)

Fits Flat Mop Bucket Item N624P39

### Metal/Plastic Combo - 35 Quart Bucket w/ Wringer

Noble Item No: [N624P45](#)

Floor-Price® zinc electroplated wringer and 35 quart Champ™ mop bucket on 3" casters. For 16-24 oz. mops.

Item N624P39

## Wall Washing Systems

### Wall-Mate Wall Washing Kit

Noble Item No: [N625B77](#)

Heavy wire frame with 16-gauge plated steel plate that uses tie-on wall wash mops. Features lightweight aluminum handle in new blue color with vinyl grip. The easy-to-use extension mechanism cleans hard to reach areas such as corners and ceilings, no ladders, tarps, or scaffolding needed. Polyurethane-foam drip arrestor prevents drips and chemical run-off so wall wash system is safe to use around equipment and in carpeted areas. Two-direction swivel action keeps the mop frame flat on surface being cleaned. Yarn tie-on mop is 100% cotton and is pre-laundered to prevent "linting".

#### Complete kit includes

- Aluminum wall wash handle, telescopes to 92"
- 7 1/2" wire mop frame
- Tie on mop, 100% cotton
- Foam drip arrestor

#### Bulk Option: Wall-Mate Washing Handle, Wire Frame 7 1/2" - 6 per carton

Noble Item No: [N625B78](#)

Includes aluminum handle with plastic mop frame, two pre-laundered mops with hook & loop fasteners, 3 polyurethane foam drip arrestors, one pair of pressure pads and one basket insert. For use with Geerpres Ultra® plastic wringers. 6 per carton.

### Wall-Mate Wall Washing Mops w/Ties - 8 3/4"

Noble Item No: [N625B73](#)

Pre-laundered 100% cotton mops for use with Geerpres® Wall-Mate handle with wire mop frame. Quick, easy mop removal and installation. 12 per carton.

- For use with items N625B77 and N625B78
- Fits 7 1/2" wire mop frame
- Tie-on mop, 100% cotton

## Wall Washing Systems

### Quick-Mate Wall Washing Kit

Noble Item No: [N624P27](#)

Injection molded plastic mop frame – mop attaches with hook and loop fastening system for quick, easy mop removal and installation. Features lightweight anodized aluminum handle in new blue color with vinyl hand grip. Cleans hard-to-reach areas such as corners and ceilings, no ladders, tarps, or scaffolding needed. Polyurethane-foam drip arrestor prevents drips and chemical run-off, making wall wash system safe to use around equipment and in carpeted areas. Two-direction swivel action keeps the mop frame flat on surface being cleaned.

#### Quick-Mate Wall Washing Kit includes

- Aluminum wall wash handle, telescopes to 92"
- 7" plastic mop frame
- Yarn hook and loop mop, 100% cotton (prewashed)
- Polyurethane-foam drip arrestor

#### Separate Options:

Quick-Mate Wall Washing Plastic Mop Frame - 7"

Noble Item No: [N624P48](#)

Quick-Mate Wall Washing Mops, Hook & Loop - 8"

Noble Item No: [N624P52](#)

### Lambs Wool Dusters Telescoping 24" - 44" Long

Noble Item No: [N624P46](#)

100% virgin lamb's wool dusters find dust other tools miss with just a single pass. Their pick-up heads conform to even the most irregular surfaces. Washable, soft wool pile holds dust until shaken out and will not streak or scratch. Break-resistant, corrosion-proof handle. Telescoping handle extends from 24" to 44" inches. 12 per carton.

## Floor Washing Systems

### CAT G7 Chemical Applicator Tool - 18" with Clean Out Fitting

Noble Item No: [N625B75](#)

The Geerpres® CAT G7 Chemical Applicator Tool dispenses uncontaminated fluid for each new cleaning project. Use a little or a lot – you're in control. Designed for use with most conventional floor finishes and most cleaning chemicals. CAT G7 is a completely self-contained cleaning microfiber system with padded backpack.

Place your pre-filled chemical bag into the backpack, connect the feeder hose and you are ready to apply your floor care product with the gentle squeeze of the top trigger. The new easy flow ball valve improves flow by 20% and allow for adjustable flow rate. The CAT G7 - 18" comes with the revolutionary, new 16" Cling-On nylon flat mop frame that swivels 360° to reach tight spaces. Microfiber mops are launderable.

#### CAT G7 Chemical Applicator Tool - 18" Includes

- 56 1/2" anodized aluminum handle in new blue color
- Interchangeable 16" Cling-On flat mop frame
- Heavy-duty backpack
- 7' chemical feeder hose w/cap and connector
- Refillable chemical bag (1-1/2 gallon capacity)
- 18" x 5" premium microfiber scrub/finish mop
- CAT G7 Clean Out Fitting

#### CAT G7 Options:

CAT G7 Chemical Applicator Tool - 18"  
(without Clean Out Fitting)

Noble Item No: [N625B83](#)

CAT G7 Chemical Applicator Tool - 24"  
(without Clean Out Fitting)

Noble Item No: [N625B84](#)

CAT G7 Chemical Applicator Tool Starter Kit\* - 18"

Noble Item No: [N624P49](#)

#### \*CAT G7 Starter Kit Includes

- 56 1/2" Anodized Aluminum Handle
- Cling-On 16" Nylon Flat Mop Head Frame
- Heavy-duty Backpack
- 7' Chemical Feeder Hose w/cap and connector
- 18" x 5" Premium Microfiber Scrub/finish Mop
- Refill Stand
- Clean Out Fitting
- 6 Refillable Chemical Bags (1 1/2 gallon capacity)

## Floor Washing Systems

### GPS® G7 Microfiber Applicator System - with View Tube and 18" Microfiber Mop

Noble Item No: [N625B76](#)

GPS® G7 is a completely self-contained cleaning microfiber system – never use contaminated cleaners to wipe up your floors again! The GPS® G7's dual outlet dispenses uncontaminated fluid for each new cleaning project. Simply fill the handle with your floor care product and you are ready to apply with a gentle squeeze of the top trigger.

The GPS® G7 - 18" has a transparent view tube section in the top portion - you can easily see when the handle is full. The system includes a new 16" Cling-On nylon flat mop frame with molded in spikes. The mop clings to the spikes and is held firmly in place (no hook & loop strips). The flat mop frame will swivel 360° to reach tight spaces.

#### GPS® G7 with View Tube Includes

- 56 1/2" High capacity anodized aluminum handle
- Handle holds 25 oz. of cleaning fluid
- Transparent View Tube section in handle allows the user to view fluid level
- Interchangeable 16 inch Cling-On nylon flat mop frame
- Refillable chemical bag (1-1/2 gallon capacity)
- 18" x 5" premium microfiber scrub/finish mop
- 32 oz. refill bottle

#### GPS® G7 Options:

GPS® G7 Microfiber Applicator System with 18" Microfiber Mop (without View Tube)

Noble Item No: [N625B70](#)

Advantex Microfiber Disposable Mops 18" x 5" (Case of 200)

Noble Item No: [N625B71](#)

## Clean Out Fitting

Noble Item No: [N625B79](#)

After using the Geerpres® CAT G7 Chemical Applicator Tool to clean floors or to apply floor finish, use the Clean Out hose fitting to thoroughly clean the handle and connector hose. Clean Out Fitting can also be used with the GPS® G7 Microfiber Applicator System.

Fitting works with:

- Geerpres® CAT G7 Chemical Applicator System
- GPS® G7 Microfiber Applicator System

## Mops & Accessories

### Advantex® Single-use Microfiber Mop

Noble Item No: [N625B71](#)

The Advantex® superior microfiber technology offers the benefits of microfiber cleaning with efficiency and environmental safety. Lock in and remove bioburden while eliminating risks of cross-contamination. Designed for daily floor cleaning in healthcare and cleanroom/laboratory applications, the Advantex® Microfiber Mop has been tested and proven best-in-class for non-quat binding, disinfection application, solution delivery, and reducing chemical utilization and waste. Best-in-class solution - volume delivery with the least waste of any similar product (supporting data available upon request).

#### Advantex® Features

- Proprietary synthetic construction - compatible with all healthcare disinfectants, including quats, chlorine and peroxides
- Manufactured in an ISO 6/1000 cleanroom
- Non-linting, USP 797 compliant

#### Advantex® Performance Characteristics

- Superior option to eliminate cross contamination risks for critical area cleaning
- Covers 240-250 sq. ft. per mop
- Microfiber performance with effective, consistent bioburden/bacteria removal (3-4 logs)
- Efficient cleaning impact in comparison to laundered mops.

Performance Specifications	
Solution Sorbent Capacity	2001 ml/m <sup>2</sup> < 1 sec.
Adsorption Capacity	>800%
Solution Release	94%
Disinfectant Compatibility	All, beyond 8 hrs
Coverage Area	240-250 sq ft
Size	5" W x 18" L
Packaging	200/case 10/sealed bundle
Box Dimensions	19" x13" x13"
Weight	10.15 lbs
Skid Quantity	36

## Mops & Accessories

### Disposable Microfiber Mops

Noble Item No: [N625B72](#)

Size: 18" x 5 1/2" (50 per carton)

These disposable white microfiber mops can easily be attached and removed from the flat mop frame then thrown away after use. Disposable microfiber mops will save you money and time on washing and handling. Great for locations that may not have the equipment or space for laundering. In healthcare facilities the inexpensive disposable mop can be treated as hazardous waste and "red bagged" for disposal.

### Cling-On™ Nylon Flat Mop Frame w/Quick Connector

Noble Item No: [N625B80](#)

Size 16" x 4 1/2"

The revolutionary, new Cling-On™ 16" plastic flat mop frame with quick connector makes it easy to convert your current mopping system and use the Cling-On™. The mop frame has molded-in spikes so that the mop clings to frame and holds firmly in place. This allows hands free mop removal after use and addresses the issue of having to replace velcro strips that accumulate fibrous material and causes the frame to lose its grip on the mop. With the patterned cut out frame, the cleaning solution won't "puddle" on the frame and flows through to the mop. This mop frame can be used for all types of cleaning applications such as mopping floors and washing walls.

- No hook & loop strips
- No more replacing clogged velcro strips
- 360° swivel for efficient figure eight motion
- Flips up for easy cleaning of baseboards
- Made of 100% post-consumer recycled material
- For use with 16" and 18" mops

## Mops & Accessories

### Mop Handle with Electroplated Holder, Vinyl-covered Aluminum

Noble Item No: [N625B81](#)

Size: 60" handle

The vinyl covered aluminum 60" handle features an exclusive electroplated steel spring-yoke type mop holder which simplifies mop loading and unloading by eliminating the need to thread the mop through the holder. Unloading can be carried out without touching the dirty mop. The yoke holds mops from 8 to 36 oz. without wing nuts, chains, clamps or screws. A vinyl plug is inserted inside handle tube at the base which seals against moisture entering inside the handle.

### Featherweight® Mop Handle, with Electroplated Holder, Wood

Noble Item No: [N624P50](#)

Size: 54" handle (12 per carton)

The 54" handle features an exclusive electroplated steel spring-yoke type mop holder which simplifies mop loading and unloading by eliminating the need to thread mop through holder. Unloading can be carried out without touching the dirty mop. Yoke holds mops from 8 to 36 oz. without wing nuts, chains, clamps or screws. A vinyl plug is inserted inside handle tube at the base which seals against moisture entering inside the handle.

### Vinyl-covered Aluminum Mop Handle with Easy-change Holder

Noble Item No: [N625B82](#)

Size: 60" handle

Vinyl covered aluminum 60" handle with electroplated, easy change holder. Loosening the wing nut on this handle provides enough "play" to allow the front loading bar to swing away from its locked position, freeing the dirty mop.

## Mops & Accessories

### DynaMate Plastic Holder with SS Spring Yolk

Noble Item No: [N624P51](#) (12 per carton)

The self-locking threaded collar of this mop holder makes handle replacement easy. Can be used with both narrow and wide headband mops. The stainless steel swing-away yoke simplifies mop loading and unloading by eliminating the need to thread mop through holder. Unloading can be carried out without touching dirty mop. Fits 1-1/8" diameter mop handles.

### Gripit® Tool Holder, Standard Model

Noble Item No: [N624P53](#) (6 per carton)

The Gripit® patented tool is designed to hold mops, brooms, hammers and other tools with handles up to 1 3/16". Roller with high friction surface automatically adjusts to tool handle diameter. Simply push the tool handle against a Gripit® and the roller automatically adjusts to lock it securely in place. No springs to rust or break.

- Easy to use, convenient wall storage for tools
- Made of high impact plastic construction
- Strong, durable and rustproof
- Install on any wall in minutes (mounting screws included)

### Expando Gripit® Tool Holder

Noble Item No: [N624P47](#) (6 per carton)

Expando Gripit® patented tool holders provide convenient wall storage for tools. Designed for heavier tools such as vacuum wands, hoses and shovels with handles up to 1 3/4" in diameter. Roller with high friction surface automatically adjusts to tool handle diameter. Simply push the tool handle against an Expando Gripit®, and the roller automatically adjusts to lock it securely in place. To remove tool, lift the handle slightly and it's free. No springs to rust or break.
