STATEWIDE CONTRACT FOR MAINTENANCE, REPAIR & OPERATIONS (MRO) AND INDUSTRIAL SUPPLIES

Noble's contract with the State of Connecticut allows discounted pricing for maintenance, repair, and operations (MRO) products and equipment needed for facilities, grounds-keeping, building and maintaining roads and bridges, and many other supply requirements of Connecticut. State agencies, cities, towns, and educational institutions can count on Noble to deliver products when and where they need them. Noble pays all standard shipping.

Noble provides the critical supplies you need to complete your projects. Our customers can access more than one million products from 11,000 established suppliers, including many of the most recognized brands in the MRO and construction industry.

From electrical and plumbing supplies to common items such as safety supplies, tools, and landscaping products, Noble's established supplier agreements result in rapid delivery of quality products for Connecticut's agencies, cities/towns and public primary/higher education entities.
