

WHEN DISASTER STRIKES, SO DO WE.

FIRE & EMERGENCY SERVICES SUPPORT 24/7/365

Noble delivers what you need when you need it. We provide mission-critical supply chain, logistics, mission support, and technology solutions for the U.S. military, federal, state, and local government. Our Fire and Emergency Services Equipment (FES) Tailored Logistics Support Program supplies U.S. Military and other authorized customers with food, clothing, construction, medical and hardware solutions to achieve their global mission. Under this program, Noble provides supply and logistics support for structural firefighting, aircraft crash and rescue, hazardous material response, emergency medical response, homeland security, and domestic preparedness operations.

NOBLE'S SUPPLY CHAIN

Through our global distribution network, we stock over 1,000,000 items that include over 11,000 of the most recognized brands in the industry. Our team of experienced supply chain managers built our supply chain over more than three decades. All materials provided are TAA and Berry Amendment compliant.

EXPEDITIONARY LOGISTICS SUPPORT

Noble's Combat Logistics Support Division provides a full range of Fire and Emergency Services Equipment under a contract for FES Tailored Logistics Support between Noble and the DLA. Noble maintains an extensive global network of warehouses and distribution centers in addition to 28 military storefront operations and is well-positioned to offer disaster preparation, response and recovery support throughout global regions of military operations.

FIRE & EMERGENCY SERVICES CUSTOMER SOLUTIONS

DISASTER RELIEF SUPPORT

Disaster relief is one of Noble's core competencies; we are prepared 24 hours per day to provide critical support in this area. Noble is a U.S. Government go-to supplier for emergency supplies and building materials. We are ready and experienced providers of preparedness, response, and recovery supplies and services.

VALUE-ADDED SERVICES

Noble is more than just a storefront on your base. We're more than a supplier of hundreds of thousands of brand name products. Also, we are more than a logistics partner. Noble also provides customized customer solutions to meet the unique needs of the U.S. Federal Government. You can turn to us knowing you can rely on product expertise, compliance with all the materials requirements and processes of the military, fast shipping, order tracking, and complete visibility.

KITTING AND OUTFITTING

From Firefighting to Decontamination and First Responder Kits to MREs (Meals Ready to Eat) for FEMA, Noble is available to build customized kits, making your repetitive tasks more efficient.

INVENTORY MANAGEMENT

With a global network of storefronts and warehouses, Noble manages complex inventories to meet DoD requirements, providing instant access to the materials necessary for immediate responses to natural disasters, as well as the ability to expedite regular shipments of tools and operational supplies. Our automated processes include barcoding and scanning, end-to-end inventory planning, and replenishment, with total asset visibility from order to delivery.

HOW TO ORDER

- 1. REGISTER FOR FES** – Work with Noble to register for the DLA-Managed TLS Program. Submit the registration form to DLA Troop Support and receive your FES Customer Guidelines and required Order Request Form.
- 2. SEND RFQ TO NOBLE** – Whether you need a recommendation or know exactly what to order, the Noble team can assist with all required market research. Noble works directly with industry partners to negotiate best pricing, determine accurate part numbers, verify lead times, and accurately define the country of origin for compliance.
- 3. REVIEW QUOTE AND FES EXPECTATIONS** – Work with Noble to ensure the presented solution meets all end-user requirements prior to DLA submission. Noble can explain the FES internal processes and expected timelines from Order Request to Funding Acceptance.
- 4. SUBMIT ORDER REQUEST TO DLA** – The customer sends the completed Order Request Form to DLA Troop Support. The DLA FES Customer Operations team acknowledges receipt of the Order Request Form.
- 5. APPROVE & FUND** – DLA Troop Support obtains competitive pricing for all required items from the participating FES vendors, providing the best pricing and lead time back to the customer. DLA accepts funding via MIPR or MILSTRIP and confirms that the items are on contract. DLA sends the winning vendor an award notification and direction to immediately order the required items.
