STORAGE SOLUTIONS FOR GSA

Strong Hold® Steel Cabinets, Tables and Carts

Strong Hold® Steel Cabinets, Tables, and Carts

CONTROL THE CHAOS 

Noble Supply offers many models of Strong Hold® cabinets, tables, and carts

Noble Supply offers GSA purchasers a range of cabinets, lockers, tables and storage devices.

Everything Strong Hold® makes starts with high-strength 12-gauge steel. It's then precision cut with a laser, formed, welded, steam-cleaned and coated to produce a solid, strong and dependable industrial storage solution.

Strong Hold® steel cabinets, tables, carts, lockers and storage systems come fully assembled and ready to use... no lost time for assembly, shelving installation, setup, or on-site modifications! This saves you valuable time and resources.

The storage products include a 3-point locking system on the doors that's designed for a heavy padlock, to secure valuable tools and other items. Cabinets are easily maneuverable with wheels and handles. Make sure your storage is the best and most secure with Strong Hold®.

Steel means quality and longevity – 99 year warranty

Strong Hold® stands behind the craftsmanship and quality of their products. These cabinets are designed and exclusively built for extreme environments to keep parts and tools safe on the shop floor, in facilities, warehouses, garages, plants, buildings or wherever they're needed.

Made with pride in Louisville, KY USA.

STORAGE SOLUTIONS FOR GSA

Strong Hold® Steel Cabinets, Tables and Carts

Strong Hold® Steel Cabinets, Tables, and Carts

12 GAUGE STEEL IS SIMPLY STRONGER

The chart below shows the difference in thickness between Strong Hold's 12 GA body and lighter GA steel.

CABINETS AND LOCKERS

Flammable Liquid Storage Cabinet

TWO SIZES AVAILABLE:

Noble Item No: [N625C35](#) [44" x 18" x 43" with 2 shelves]

Noble Item No: [N625E32](#) [58" x 18" x 60" with 3 shelves]

Flammable and combustible materials can be a serious fire or explosion hazard when not stored properly. This flammable-liquid storage cabinet features an all-welded, double-walled design for added safety when storing flammable goods or liquids, and is manufactured to meet the National Fire Protection Association's Combustible Liquid Code #30, which exceeds even OSHA requirements. Double doors include the 3-point locking system.

- Quality 12-gauge exterior walls and 16-gauge interiors
- Adjustable air vents on each side of the cabinet for cross-ventilation
- 2" catch pan under the floor contains spills
- Depending on model, 2 or 3 shelves with a capacity of 1200 lbs/1650 lbs
- Fully assembled and ready to use
- Overall weight: 2-shelf unit is 400 lbs, 3-shelf unit is 652 lbs.

Industrial Counter-Height Cabinet

Noble Item No: [N625C36](#)

This standard heavy duty 12-gauge countertop cabinet includes 14-gauge shelves that can be adjusted in 2" increments. Ideal for tool cribs, assembly areas, mailrooms, and other areas where overhead space is not available. These units are sold without legs, but drawers, casters, and maple tops can be added. Up to 1,900 lbs. capacity per shelf, and it includes 2 shelves.

- Quality 12-gauge steel cabinet
- Includes 2 sturdy shelves
- All-welded design
- 3-point locking device includes a built-in padlock-ready hasp
- Exterior dimensions: 36" x 18" x 30"
- Overall weight: 207 lbs

Strong Hold® Steel Cabinets, Tables and Carts

Counter-Height Mobile Cabinet/ Cart

TWO SIZES AVAILABLE:

Noble Item No: [N625C38](#) [50"H x 36"W x 20"D]

Noble Item No: [N625C39](#) [44"H x 36"W x 20"D]

The rugged design of this mobile cart makes it the ideal maintenance work station on wheels. Constructed using 12-gauge steel, its wheels are a combination of 6"H x 2"W swivels with brakes and ridged polyurethane casters; maneuvering this cabinet is easy. A handle is provided for steering. - Cabinet is backed by a limited one-year warranty
- Overall weight: 573 lbs

STORAGE DESKS, TABLES, & CARTS

Mobile Industrial Computer Cabinet with Retractable Keyboard

Noble Item No: [N625C34](#)

This computer cabinet allows users to lock up all their computer accessories at the end of the day, safely and securely. The keyboard drawer unit is retractable and measures 20" wide x 22" deep x 3" high. The polycarb window allows a clear view of the monitor. A 7-outlet, 15 amp, 100 volt power strip and a fan for filtration come installed. The top door is secured by a latch and can only be opened when the bottom doors are unlocked, providing security for your monitor. Center shelf is perforated to keep equipment cool. Totally mobile, you can easily push this cabinet to the place it's needed. Tough and ready for industrial use.

- Quality 12-gauge steel
- Retractable keyboard tray and 1 drawer
- 2 shelves with a capacity of 1,900 lbs per shelf
- Casters and a push handle mean easy maneuvering
- Outside dimensions: 26" x 24" x 60"
- Overall height: 68"; overall weight: 413 lbs

Industrial Angle Frame Desk

Noble Item No: [N625C40](#)

Heavy duty 12 gauge stainless steel and designed to last. This has an angle frame leg setup. This shop desk is commonly found in assembly areas, maintenance departments, warehouses and on shipping and receiving docks. The desk features a 3-point locking system and a wrap around design.

This unit has an upper paper storage area to keep your papers and notes organized. The slanted top makes a great desk area to write on. There is a top drawer that is 29 inches wide x 20 inches deep x 6 inches high. The drawer can handle a load of 400 lbs. The lower area is open with 1 lower shelf.

- Quality 12-gauge steel
- One shelf
- Outside dimensions: 36" x 28" x 54"
- Total weight: 292 lbs

Industrial Tool Cart with 5 Drawers

Noble Item No: [N625C43](#)

Keep your tools and valuable shop devices safe in this rugged cabinet. It's constructed using 12-gauge steel and features a 7-gauge work top with side and back guards to prevent tools from rolling or falling off. 6" high x 2" wide polyurethane swivel casters make maneuvering easy, and the cart can withstand a whopping 2,000 lb. load. A handle is integrated for easy steering. Features four 1/2-width drawers that measure 13" x 20" x 6" high and one full-width drawer (29"x20"x6"). Each drawer has a 400 lb. weight capacity.

- Dimensions: 36" x 24" x 36"
- 5 drawers, one full-width drawer
- Total weight: 529 lbs

Service Cart with 3 Shelves

Noble Item No: [N625J49](#)

12-gauge, heavy duty carts are a necessity in a well-stocked shop. This cart makes easy work of moving heavy machine parts and tools and dies from shops to assembly areas. Uprights are made from 2" x 2" x .25" angle with 12-gauge heavy duty shelves. The handle makes steering the cart easy.

- Quality 12-gauge steel
- 3 shelves and a convenient handle
- Dimensions: 36" x 24" x 32"
- Overall height: 40"
- Weight: 155 lbs

Industrial Shop Table with 3 Drawers

Noble Item No: [N625J51](#)

This table meets virtually every strength requirement for heavy manufacturing, assembly, and maintenance-type work. The top is made from 7-gauge steel and the legs are 2" x 2" x .25" angle. There's a welded 12-gauge bottom shelf to store items on as well. The table has 3 drawers that can hold 400 lbs each, that can each be locked with a padlock. Tough and ready for industrial use.

- Quality 12-gauge steel
- Exterior dimensions: 60" x 26" x 34"
- Shelf weight capacity: 400 lbs each
- Unit weight: 450 lbs
- Overall height: 34"
- Fully assembled and ready to use in your shop or workroom

Tool and Maintenance Cart with 6 Drawers

Noble Item No: [N625C56](#)

This mobile heavy-duty tool cart is on casters. It features 6 1/2 width drawers, an adjustable shelf, and a 7-gauge steel top. The doors are lockable with a padlock, featuring a 3-point locking system. Provides room for smaller items in the drawers, large items on the shelves.

- Quality 12-gauge steel
- Exterior dimensions: 48" x 24" x 36"
- Overall height: 44"
- One shelf
- Can withstand a load of 2,000 lbs
- Easy to maneuver with 6" polyurethane swivel casters
- Foot brake

Industrial Shop Table with 2 Drawers

Noble Item No: [N625J52](#)

This great shop table is made with a 7-gauge steel top, and a 12-gauge steel bottom shelf. It has 2 drawers, each capable of holding up to 400 lbs capacity. A bottom shelf has been added for extra convenience.

- Quality 12-gauge steel
- Exterior dimensions: 48" x 30" x 34"
- All-welded construction
- Angle legs and two drawers
- Shipped fully assembled and ready for use
